APPLY FOR THE 2011 AMEA SCHOLARSHIP PROGRAM

If you are graduating from high school in the spring of 2011 and you receive your electricity from an Alabama Municipal Electric Authority (AMEA) Member, you could qualify for a \$2,500 scholarship in the 2011 AMEA Scholarship Program.

For the past 18 years, AMEA has assisted deserving students in each of its 11 Member cities (Alexander City, Dothan, Fairhope, Foley, LaFayette, Lanett, Luverne, Opelika, Piedmont, Sylacauga and Tuskegee) with their first-year tuition to a state university. Recognizing that many high school seniors seek training in a technical or trade program, AMEA added a technical school scholarship in 2004.

To be eligible for either of AMEA's scholarships, a student's family must receive electric service from a Member's electric utility and the student must attend an Alabama college or university.

Applications are currently available from school counselors in these Member cities, or you can go online to the AMEA web site, www.amea.com, Scholarship Program. Applications are reviewed and selected by an independent panel of college guidance personnel. **Application deadline is Monday, Feb. 7, 2011.**

For more information on the program, contact your school counselor or Pamela Poole, AMEA's Scholarship Program Coordinator, (800) 239-2632, Ext. 110, (334) 387-3504, or pam@amea.com.

AMEA, located in Montgomery, is the wholesale power provider for 11 public power utilities in Alabama, which serve some 350,000 customers in the cities of Alexander City, Dothan, Fairhope, Foley, LaFayette, Lanett, Luverne, Opelika, Piedmont, Sylacauga, and Tuskegee.
